Contempo Madrid is a premium range crafted in Spain. The unique colours are totally distinctive to this exceptional collection. And the Spanish clays create a dense and very durable ultra-smooth finish.

Blanco

Gris

Ceniza

Nero

IMPORTANT: Contempo Madrid is an imported product. Due to high density clay used, the moisture absorption rate is reduced when compared to locally manufactured clay brick products.

Shade variations occur from batch to batch. Colours shown in this brochure are indicative only and should not be used for final selection. Whilst every effort is made to supply product consistent with brochures and examples, some colour and texture variation may occur within production runs. Not all colours are available in every region for each product. See your retailer for colours available in your region. Products ordered should be chosen from actual samples current at the time of order and are subject to availability. Photographs in this brochure are only representative of Midland Brick products and the appearance and effect that may be achieved by their use. Samples and displays should be viewed as a guide only. Brochure colours may vary due to the limitations and variations in the printing process. Customers should ensure all delivered products are acceptable, and any concerns about products are made prior to laying.
