INTRODUCING

Boulevard Pavers

TWO CONTEMPORARY FINISHES, 6 MODERN COLOURS

July 2014
The new Boulevard Range introduces an alternative style of large format paving. Perfect for today's contemporary architecture and landscape design, Boulevard comes in two contrasting finishes – smooth Classic and a coarser Granite.

The large rectangular profile creates the opportunity for conventional designs or a more contemporary look using a stack bond finish or a combination of textures. Whatever the design, you'll find the large format Boulevard Range works with many architectural styles and applications.

**Classic Finish**

Limestone  
Pewter  
Charcoal

**Granite Finish**

Chalk

Shade variations occur from batch to batch. Colours shown in this brochure are indicative only and should not be used for final selection. Whilst every effort is made to supply product consistent with brochures and examples, some colour and texture variation may occur within production runs. Not all colours are available in every region for each product. See your retailer for colours available in your region. Products ordered should be chosen from actual samples current at the time of order and are subject to availability. Photographs in this brochure are only representative of Midland Brick products and the appearance and effect that may be achieved by their use. Samples and displays should be viewed as a guide only. Brochure colours may vary due to the limitations and variations in the printing process. Customers should ensure all delivered products are acceptable, and any concerns about products are made prior to laying.
