## Colonnade

New Colonnade is a visually striking large-format paver with a smooth, marble-like finish. Perfect for patios and residential driveways, Colonnade is easily laid, with its shape and size creating the illusion of a large floor space.

### PATTERNS

5.5 pavers/m<sup>2</sup>  
80 pavers/pack

Suitable for all pedestrian and patio applications in all laying patterns.

Suitable for pedestrians, domestic driveways and light traffic access.

Travertine

Alpine Ash

Onyx
